

COBRA

LOCATE DISTRIBUTOR

Product Description

Cobra is an innovative folding buttstock provides quick deployment and flexibility of use, yet firm and steady structure when deployed. Compatible carry with most OWB holsters, it allows for easy deployment of the stock within a fraction of a second. The Cobra is

provided with four replaceable adapters, for use with Glock® GEN 2-5 G17 or G19 frame models.

Product Advantages

- Quick installation, attaches instantly, no handgun modification required Rapid deployment mechanism; extends easily from the folded position into a full length deployed buttstock Integrated Cheek Rest, and a high traction rubber butt-pad Can be used with the Scopus OWB holsters when in the folded position Durable and light weight fiberglass reinforced polymer construction

Compatibility

- The Cobra stock will fit all of the following Glock models 17, 19, 19X, 22, 23, 24, 25, 31, 32, 34, 35, 45 / GEN 2 - 5 The Cobra stock G17 GEN4 adapter will also fit the IWI JERICO Polymer full size models- PL, RPL, PSL
