

## GL-CORE

Collapsible Buttstock For Mil-Spec Or Com-Spec Buffer Tubes

[LOCATE DISTRIBUTOR](#)

### Product Description

The GL-CORE is our clean pro design addition to our line of buttstocks. The integrated cheek weld, ergonomic butt-pad and an interchangeable tube adapter, provide an unmatched fit on Mil-Spec

and Commercial buffer tubes, with a high level of efficiency and comfort. The CP version includes an additional Cheek Rest, designed to support the use of different optics and holographic sights.

## **Product Advantages**

- Ergonomically shaped rubberized butt-pad for quick shouldering and easy maneuvering of the weapon
- Interchangeable buffer tube adapters for a tight fit on Mil-Spec and Commercial buffer tubes Integrated cheek weld in an overall compact and sleek design
- No protruding parts, will not get caught on gear or webbing
- Inversed positioning lever will not open accidentally
- Two integrated Quick Detach (QD) rear sling swivel connectors
- Can accept the GCCP cheek riser
- Made of durable and light-weight fiberglass reinforced polymer composite
- Available in Black, OD Green or Flat Dark Earth

## **Compatibility**

- Buffer tubes, in Mil-Spec or Commercial diameters
