

GL-CORE CP

LOCATE DISTRIBUTOR

Product Description

The GL-CORE is our newest addition to our line of buttstocks. The GL-CORE incorporates an integrated cheek weld, ergonomic butt-pad and interchangeable tube adapters, that provide an unmatched fit on Mil-Spec and Commercial buffer tubes. The CP version includes an additional Cheek Rest, designed to support the use of different optics and holographic sights on the AK and VZ platforms.

Product Advantages

- Ergonomically shaped rubberized butt-pad for quick shouldering and easy maneuvering of the weapon
- Interchangeable buffer tube adapters for a tight fit on Mil-Spec and Commercial buffer tubes

- Integrated cheek weld in an overall compact and sleek design
- No protruding parts, will not get caught on gear or webbing
- Inversed positioning lever will not open accidentally
- Two integrated quick detach rear sling swivel connectors
- Additional, three positions adjustable Cheek-Rest
- Made of durable and light-weight fiberglass reinforced polymer composite
- Available in Matte Black, Olive Drab Green or Flat Dark Earth

Compatibility

- Buffer tubes, in Commercial or Mil-Spec diameters
- AK, VZ and shotgun platforms, on the AR platform, the CP may obstruct the use of the charging handle when the buttstock is fully collapsed, for use with an AR platform, we recommend removing the CP
