

GRADUS FBV

[LOCATE DISTRIBUTOR](#)

Product Description

Gradus pistol grip incorporates the results of numerous requests by our customers for an ergonomic rubberized grip that will have a relatively straight profile for long range precision shooting and CQB scenarios.

Product Advantages

- Designed specifically for precision shooting & QCB The 15 degree reduced grip angle prevents arm & wrist fatigue Enhanced, more comfortable pistol grip replacement for your rifle Available with an AR style beaver tail or in a flat configuration (FBV)

Compatibility

- M-4 / M-16 / AR-15/ SR-25 / AR-10 variants
