

## MBA

LOCATE DISTRIBUTOR

### Product Description

The MBA is a sleek and durable Mono-Pod add-on for the GL-SHOCK or GL-MAG Buttstocks and features a two stage, both screw and spring based extension for rapid deployment and fine adjustment.

## **Product Advantages**

- Provides additional support for more steady hold and extremely accurate shooting
- Secure retaining mechanism prevents accidental deployment
- Easily deployed and retracted into the buttstock by the push of a button
- Top-quality rubber foot for enhanced grip on slippery surfaces
- Two-stage screw and spring based extension for rapid deployment and fine adjustment
- Made of reinforced high-grade polymer composite and 6061 hard anodized aluminum

## **Compatibility**

- GL-SHOCK & GL-MAG Buttstocks
