

SPD

LOCATE DISTRIBUTOR

Product Description

SPD is a dedicated add-on for Ultimag magazines, enabling the operator to easily draw a magazine from a pouch.

Product Advantages

- Secure clip-on installation on the Ultimag floorplate
- Spring loaded gripping lever, securely tucked-in until needed
- Does not interfere with manual disassembly of the magazine
- Made of durable and light weight polymer composite
- Sold in pairs

Compatibility

- All Ultimag 30R magazines, 10R AR Ultimag magazines
