

TACSKIN

[LOCATE DISTRIBUTOR](#)

Product Description

TacticSkin are highly-practical slide covers for GLOCK Handguns, made to enhance visibility and style, while improving performance and versatility.

Product Advantages

- Provides improved front and rear serrations for easier, more secure cocking, even while wearing gloves, or with cold, wet, or sweaty hands
- Protects shooter from slide and barrel heat
- Made of high-grade, non-slip, polymer composite
- Quickly and easily installed and removed without a gunsmith
- Reduces slide wear and tear
- Available in black, olive drab green, flat dark earth, red or yellow

Compatibility

- TacticSkin 17: Glock 17, 22, 31, 37
- TacticSkin 19: Glock 19, 23, 25, 32, 38
- With TacticSkin installed, all fit into parallel GLOCK 10mm / .45 holsters

Notice: Cannot Be Used With "C" Models!
