

ULTIMAG AK 30R

LOCATE DISTRIBUTOR

Product Description

The Ultimag AK 30R is a 30 round 7.62x39 polymer magazine for AK47 rifles, with rapid visual identification option of remaining rounds. The Ultimag AK 30R provides a durable and reliable magazine solution using high grade materials and engineering.

Product Advantages

- Multi-textured surface and extended floorplate for enhanced grip and handling
- Long-lasting cathodolysis-coated spring for ideal corrosion protection
- Unique internal design for smoother, more reliable feeding
- Over-travel protection and tilt proof low-friction follower for increased reliability
- Durable, lightweight, impact and crush-resistant reinforced polymer construction
- Long-lasting spring design for extended duration in loaded storage
- Visual indication of remaining rounds from 10 to 30
- Disassembled by hand, no tools needed, compatible with double mag pouches
- Available in black, olive drab green or flat dark earth

Compatibility

- 7.62x39 AK47/AKM Rifles Variants
